

**THEME SONG: "OUTSIDE"**

**Gary Chapman**

Verse 1:

It's safe and it's warm inside this sanctuary  
Where we come to worship, to witness and marry,  
But after we've gathered I have to confess  
My soul feels a restlessness to take this remarkable light

Chorus:

Outside where people are hurting  
Suffering and searching for some place to hide.  
Inside God pulls us together from a world torn apart  
To carry the love in our hearts, outside...

Verse 2:

It's time to leave self-centered thinking behind us,  
Expecting the whole world to seek out and find us.  
Jesus is making us people who care and  
If we be willing to share, these graces can be multiplied

Chorus: Repeat three times

Ending phrase: Outside, outside  
Let's all go outside  
We got to take the love outside  
Outside, outside, outside, outside.

**Park of the Pines  
Family Camp**

**Sharing in  
Community of Christ**

*Greetings!*

*Thank you for choosing Park of the Pines for your family church camp. It is our hope that you will enjoy your time here and that the planned activities and events will draw you close to God.*

*May this week be a time of building community – a place where, as the family of God, we learn to love and care and respect each other .*

*God has called us to learn to live in community – to bring about His peaceable kingdom on earth – to worship and play and sing and fellowship together.*

*Seek out the lonely...help them feel needed and included.*

*Reserve judgment...see through the eyes of Christ.*

*Recognize the worth of each one... see Jesus in them.*

*May God bless you richly in the days ahead.*
