

2010 TEMPLE SCHOOL – CLASS DESCRIPTIONS

AM 200 Aaronic Ministers: Ministry of Presence (Home Study sheets available)

This office-centered course covers the priesthood offices of deacon, priest, and teacher, and is open to all students. Priesthood members will understand roles and functions and improve skills for more effective ministry. Others will develop an appreciation of the importance of priesthood ministry. (2002)

CL 175 Issues in Team Building

This course explores a multitude of issues associated with the dynamic challenge of teamwork. Students will explore personal insights, identify obstacles, and discover how to be an effective team member or team leader. A variety of evaluation and self-assessment tools are included for student and team development. (2002)

CL 950 Improving Adult Education

This course offers the Temple School philosophy of life-long, learning, foundations for teaching adult learners, and specific ways to prepare and facilitate classes. **All Temple School instructors are encouraged to take this course** to enhance the effectiveness of the learning experience. The instructor guide sheets are printed in the course book. (2000)

DS 200 Directed Study – HOSPITALITY EVANGELISM

John Wight will be using Tammy Lindle's book on hospitality and a video resource called Hospitality Evangelism: Sharing the Bread of Life.

DS 312 Foolishness of Preaching

This is based on the book *Foolishness of Preaching* by Geoff Spencer. Students need the book (purchased from Herald House 1-800/767-8181); Tips for the Instructor are available at no charge.

PA 140 Elders: Servants of God's People (Home Study sheets available)

This course is recommended for new ordinands, people who are interested in the office of elder, as well as those who have served in the office of elder. (2003)

PA 212 High Priests: Ministers of Vision (Home Study sheets available)

This course sets a new vision for the ministry of high priests that includes building support systems, standing for peace and justice, bridging cultures and people, fostering spiritual growth and wholeness, and enhancing leadership effectiveness. (2000)

PA270 Mentoring in the Christian Community (Home Study sheets available)

The mentor relationship is defined and explored through historical and scriptural foundations. This course is designed for those desiring to start a mentoring program or relationship. (1996)

SS 320 Survey of the New Testament (Home Study sheets available)

This course helps with understanding the content and context of the New Testament. Students are encouraged to read the New Testament and explore the people who molded it. (1997)

TE 240 Stewardship as a Spiritual Discipline

This course will assist adult learners to gain a deeper understanding and encourage the practice of stewardship concepts in relationship to spiritual disciplines. Each lesson will focus on a biblical text chosen to provide scriptural background for the practice of personal stewardship and spirituality. (2006)
